I - 2016-present day | Poet, Sculptor, musician | Le Monde Autre

Le Monde Autre (poetry&art): (eco-)conscious and unconscious art, introspective mythology.

2018

En Miroirs lunaires, Translation and adaptation of the poem of the same name, music score composition for three voices choir (Chœur à trois voix égales)
Premiered on June the 23rd at the *Journée du XXIème siècle* in Fresnes Music Conservatory (France)

2017

Buried Music/Musiques ensevelies | Collection of bilingual poems (unpublished)
Ecdysis | Sculpture series of six birch boxes lacquered in Urushi and containing the founding dream/myth for *Le Monde Autre*
Clematis vitalba | Installation/dress made of vegetal as a form of illustration for the poem of the same name.

2016

384 400 Km {is the distance between you and me}
Collection of poems in the form of an artist book, illustrated with 8 original gravures, hand stamped in each one of the 50 copies.

Work in Progress – Slow slow-art is valuing the process more than the final product so the object appears to the artist when it is ready, this is why it is necessary to acknowledge them, especially the time spent on these projects:

The Dream of the Fisherman's wife | Installation of two buried dress as a form of illustration for the poem of the same name (ongoing project since 2015)
Le Manteau-Monde | Installation series of three hand sewn quilted vest (with Redeemed leather saddle stitched hems, natural wool hand spun by Janelle from Sorg ond Slaep, hand-dyed with natural Campêche (Haematoxylum campechianum) wood) (ongoing project since 2015)
Les Portes de Notre Monde, tone poem for harp, piano and string orchestra – an illustration in music of the poem of the same name (ongoing project since 2018)

Education

2006

Landscape architect (Master), Paysagiste D.P.L.G. (ENSP, Versailles), graduated with unanimous congratulations from the jury.

Two parts thesis for the graduation

1. *Personal Study Project (Travail Personnel de Fin d'Étude)* | « Support / Surface: le sous-sol, fondation du projet », a 100 ha of open spaces in the city, in Vitry-sur-Seine, on the old gypsum quarries.

> Developed subject: to organize an open park inside the city, the design is inspired by the former underground exploitation. The starting point of the project is the collapsing of the surface.

> Topics: earthworks, garden-sculpture, family garden.

> Teachers supervisors: Gilles Vexlard, Pierre Donadieu.

2. *Regional Pedagogic workshop (Atelier Pédagogique Régional)* | « Gestion du site du Cap d'Erquy », 170 ha of sensitive natural area.

> Sponsors: General Council of Côtes d'Armor, the town of Erquy and the Community of Towns of the Côte de Penthièvre.

- > Request: redevelopment of access and parking on the Cap d'Erquy, taking in account the city's global project and planning
- > Teaching supervisor: Jacques Sgard.
